The Catholic Home: Celebrations and Traditions for Holidays, Feast Days, and Every Day By Meredith Gould

For centuries, the Catholic Church has offered an abundance of splendid traditions that extend religious and spiritual practice into daily life. Now, Meredith Gould reintroduces these customs and rituals to modern Roman Catholics.

Using the liturgical calendar, *The Catholic Home* provides familiar and new ways to celebrate each season and its special days. Gould reviews major holy days, select saints' days, familiar prayers, and suggests meaningful ways to prepare as a family for such sacraments as Baptism, Confirmation, First Eucharist, and Matrimony.

This book includes a concise history of each ritual and clarifies the meaning behind it by highlighting celebrations of Catholic holidays from different parts of the globe. Your family will learn to make Advent wreaths, Jesse trees, St. Lucy's crowns, King's cakes, All Souls altars, traditional foods, and participate in family devotions.

Throughout *The Catholic Home*, Gould's down-to-earth practicality and sense of humor give the activities she describes modern relevance no matter how ancient their origins. Excerpts from the official *Catechism of the Catholic Church* are included to illuminate Church doctrine on matters of faith and ritual. This indispensable guide will appeal to Catholics young and old and inspire beloved family traditions to be handed down from one generation to the next.

Editorial Review

From Publishers Weekly
Who better than a nice Jewish girl to tell Catholics how to celebrate their faith at home? Jews have always been known for a sensibly domestic-centered observance of their religion, and Gould, a Jewish-born convert to Catholicism, speaks from a unique dual perspective. Having lived in a Jewish home, she knows about lighting Sabbath candles, but also remembers when Catholics kept holy water and statues in their houses. In her own home, which she affectionately describes as "the Hermitage" and "Julian of Norwich goes suburban," she has revived traditions that fell by the wayside after changes wrought by Vatican II, and also established a multitude of new ones. Readers seeking to reinforce Catholic identity on the home front will find plenty of ideas, among them a how-to for celebrating Christmas when it actually arrives, instead of weeks before, and making Halloween holy by embracing it as the eve of All Saints Day. Gould's writing is light and airy, even irreverent at times, but her ideas are well-grounded and refreshing. She wisely reinforces her suggestions with excerpts from the Catechism of the Catholic Church and uses the church's sacraments and elaborate calendar of feast days and liturgical seasons as the skeleton of her book, trotting out bits of history and legend for added interest. Gould's engaging enthusiasm will doubtless have readers asking, "Who knew Catholicism could be so much fun?"

From reader reviews:

Paulette Stoneman:

The book The Catholic Home: Celebrations and Traditions for Holidays, Feast Days, and Every Day make you feel enjoy for your spare time. You should use to make your capable a lot more increase. Book can being your best friend when you getting pressure or having big problem with your subject. If you can make looking at a book The Catholic Home: Celebrations and Traditions for Holidays, Feast Days, and Every Day to be your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about many or all subjects. You can know everything if you like open and read a publication The Catholic Home: Celebrations and Traditions for Holidays, Feast Days, and Every Day. Kinds of book are several. It means that, science guide or encyclopedia or some others. So , how do you think about this guide?

Susan Spiegel:

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that may give you benefit in your life. With book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Plenty of author can inspire all their reader with their story or their experience. Not only the storyplot that share in the textbooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors nowadays always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this The Catholic Home: Celebrations and Traditions for Holidays, Feast Days, and Every Day.

Keith Kuhlman:

Precisely why? Because this The Catholic Home: Celebrations and Traditions for Holidays, Feast Days, and Every Day is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will jolt you with the secret the item inside. Reading this book next to it was fantastic author who else write the book in such incredible way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of gains than the other book get such as help improving your talent and your critical thinking means. So , still want to delay having that book? If I ended up you I will go to the e-book store hurriedly.

Stephen Redmond:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Catholic Home: Celebrations and Traditions for Holidays, Feast Days, and Every Day can make you sense more interested to read.
