The Saints of the Lost and Found By T. M. Causey, Toni McGee Causey

Avery Broussard has the curse of seeing lost things (and make no mistake about it, it is a curse). Missing belongings and beloved pets, lost love and loved ones -- she sees it all. Long ago, that curse destroyed her own chance at true love, causing her to flee her Louisiana home, vowing never to return. She's kept that promise too, until a phone call from her estranged father forces her hand. Her big brother is dying, and she may be his last remaining hope. Avery wants nothing more than to help her brother, but doing so pulls her into a labyrinth of lies and deceit rooted in her own lost love and her family's twisted history. It doesn't help that a little girl has gone missing, and the abduction is tied to a killer Avery failed to help the FBI catch. With no time to spare, Avery realizes her curse might well be the only thing she can trust. Is it too much to hope that she might save her brother and find the missing girl before she becomes the killer's next victim?

Editorial Review

From Publishers Weekly
Avery Marie Broussard, the narrator of this repetitive novel from Causey (Bobbie Faye's Very (Very, Very, Very) Bad Day), comes from a family of con artists with unusual gifts. Avery "sees" people's losses, objects as well as less tangible things. This is a useful tool for her greedy mother and her grifter father, who knows when and how any person he meets is going to die. Avery runs away from her home in Saint Michael's, La., after tryingâ€”but failingâ€”to help the FBI save victims of the Little Princess Killer. She returns to Saint Michael's when her father tells her that her big brother, Latham, will die unless she comes home. But home is also where divorced single dad Jack Thibodaux livesâ€”the man she loves but whom her father has foreseen will kill her. Causey wrings out every drop of extreme emotion as Latham suffers from his "gift" of seeing the dead, Avery and Jack are caught in the push-pull of attraction and dread, and the LPK case won't go away. Causey's overwrought prose may be too much for some readers. (Mar.)

From the Inside Flap
Avery Broussard has the curse of seeing lost things (and make no mistake, it is a curse). Missing belongings, beloved pets, lost love and fortunes -- she sees it all. Long ago, that curse caused her to flee her Louisiana home, vowing never to return. She's kept that promise, too, until a phone call from her estranged grifter father forces her hand: Her big brother is dying, and she may be his last remaining hope. Avery would like nothing more than to help her brother, but another little girl has gone missing, and the abduction is tied to the killer Avery failed to help the FBI catch back in Chicago. With no time to spare, Avery realizes her curse might be the only thing she can trust. Is it too much to hope that she might save her brother and find the lost girl before she becomes the Little Princess Killer's next victim?
