By Mike Lupica: Heat By -Philomel-

Michael Arroyo has a pitching arm that throws serious heat. But his firepower is nothing compared to the heat Michael faces in his day-to-day life. Newly orphaned after his father led the family's escape from Cuba, Michael's only family is his seventeen-yearold brother Carlos. If Social Services hears of their situation, they will be separated in the foster-care system-or worse, sent back to Cuba. Together, the boys carry on alone, dodging bills and anyone who asks too many questions. But then someone wonders how a twelve-year-old boy could possibly throw with as much power as Michael Arroyo throws. With no way to prove his age, no birth certificate, and no parent to fight for his cause, Michael's secret world is blown wide open, and he discovers that family can come from the most unexpected sources.
