Further Along the Road Less Traveled: The Unending Journey Towards Spiritual Growth By M. Scott Peck

Further Along the Road Less Traveled takes the lectures of Dr. Peck and presents his profound insights into the issues that confront and challenge all of us today: spirituality, forgiveness, relationships, and growing up. In this aid for living less simplistically, you will learn not to look for the easy answers but to think multidimensionally. You will learn to reach for the "ultimate step," which brings you face to face with your personal spirituality. It will be this that helps you appreciate the complexity that is life.
Continue the journey of personal and spiritual growth with this wise and insightful book.

Editorial Review

From Publishers Weekly
Psychiatrist Peck's sequel to The Road Less Traveled was a 10-week PW bestseller.
Copyright 1994 Reed Business Information, Inc.

From Library Journal
This sequel to The Road Less Traveled (LJ 9/15/78), composed from lectures that best-selling author and psychiatrist Peck has given since his last success, presents spiritual as well as psychological aspects of adult maturation. He explores growing up into forgiveness rather than blame; finding meaning in death; developing genuine self-esteem while dealing with problems of omnipotence, good and evil, and heroism; coping with addictions, which Peck terms the sacred disease; and finding a personal god. Peck criticizes psychiatry for ignoring the spiritual histories of patients and for misdiagnosing as a result. Highly recommended. Previewed in Prepub Alert, LJ 6/15/93.

From Kirkus Reviews
Megawriter Peck, whose The Road Less Traveled continues as a smash bestseller more than a decade after publication, weighs in with additional down-to-earth counsel on psychological and religious matters, based this time on his talks and lectures. Peck's orientation is specifically Christian now, a result of a conversion and baptism that took place after Road appeared. Here, he addresses three stages of personal development--``growing up,'' ``knowing yourself,'' and ``in search of a personal God''--explaining that all three entail the recognition that ``everything that happens to us has been designed for our spiritual growth.'' This process of maturation brings with it classic psychospiritual issues--such as the casting of blame, the meaning of death, and the mystery of existence--and Peck examines each with his trademark avuncular blend of friendly chat, tough advice, first-person experience (often drawn from his psychiatric practice), and literary citations. Chapters hop unexpectedly from one subject to another (presumably reflecting the various lectures): addiction, which he sees as a yearning for paradise; the New Age, castigated for promoting ``spiritual confusion'' and ignoring the problem of evil; the stages of spiritual growth, from ``chaotic/antisocial'' to ``mystical/communal''; Christian heresies; the danger of cults (Peck provides useful guidelines for recognizing fringe sects); and so on. The bottom line is our relation to God: Life's meaning--which Peck urges the psychiatric profession to take into account--lies in the growth of the soul. This is what Peck's zillions of fans have been waiting for, more sage Road talk from the master. It will hit the fast track fast, and keep on running and running and running. -- *Copyright ©1993, Kirkus Associates, LP. All rights reserved.*
