Review
"Written for general readers in high school and up and illustrated with B&W photos, this biography of West describes his early life, his education, his personal and professional influences, and his struggles and accomplishments, including an MTV award in 2008 as the #1 MC. Reference features include a timeline, an annotated list of awards and songs, and a bibliography of magazine stories, books, newspaper and news service articles, web publications, radio interviews, TV and internet broadcasts, and public relations web sites. While emphasis is on facts, the books in the series are intended to be entertaining." - **Reference & Research Book News**
