Living in the Light: Money, Sex and Power By John Piper

What, or who, is at the center of your universe?

John Piper shows us the blazing glory of Christ and urges us to set him as the sun at the center of our personal solar systems, so that each area of our life might orbit in the way it was designed to. When Christ is our supreme treasure, we are able to keep money, sex and power in their proper place, enjoying them and glorifying God with them instead of rejecting them or worshiping them.

Editorial Review

Review
This new book is timely and deserves careful consideration by every Christian. It is a theologically rich, biblically faithful exploration of potential stumbling blocks to enjoying God: sex, money, and power. In these pages you will discover not only the spiritual danger of setting your hope in the things of this world but how, as Christians, we can understand sex, money, and power in ways that display God's glory.
-- **R. Albert Mohler** - President of the Southern Baptist Theological Seminary

Piper here exposes us to the power of the Word. He helps open our ears to sober and solemn warnings. He also helps us embrace encouragements that shine with the promises of God. This book is about money, sex, and power. It is of course ultimately and wonderfully about the supremely satisfying and shining glory of God in Christ.
-- **Kathleen Nielson** - Director of Women's Initiative, The Gospel Coalition

John Piper explores three gifts of God that are simultaneously precious and precarious. With penetrating clarity, he demonstrates the connection between money, sex and power, and shows how we can put them in their proper places by recognizing Christ as their center of gravity. Living in the Light offers a vibrant, refreshing, and enriching paradigm-shift.
-- **Randy Alcorn** - author of Money, Possessions and Eternity and Happiness

If you do not daily wrestle with temptations in the areas of money, sex, or power, it is only because you have surrendered to these temptations. Every Christian must confront our common pull to make idols in these areas. In this book, John Piper equips us to fight temptation by firing up our affections for the glory of God in Jesus Christ. He wisely shows us not only what to avoid, but how to rightly enjoy money, sex, and power as part of a life conformed to Christ through the gospel. I expect to give this book to many friends and fellow combatants in this spiritual war.
-- **Russell Moore** - President, Ethics & Religious Liberty Commission, Southern Baptist Convention

This book is searching in its analysis, searing in its challenge, and yet wonderfully invigorating in its encouragement. When the glory of God is at the center, money, sex and power can be instruments for Christ's name and our good. This book is urgently needed.
-- **Sam Allberry** - Ravi Zacharias International Ministries and author of Is God Anti-Gay?

Money, sex and power are the three towering gods of our age, and the greatest temptations for those both inside and outside the church. In this short, pithy and powerful book, John Piper brings biblical wisdom, practical insight and a pastor's passion to the subject, and shows how living in the light will eclipse all the idols this world has to offer and put money, sex and power in their rightful, God-glorifying place.
-- **Andrew Wilson** - Pastor at King's Church, Eastbourne, UK; author and blogger
