On the First Day of Kindergarten By Tish Rabe

On the first day of kindergarten, there’s so much to do! From making new friends to jumping rope in gym to riding the bus to school, there are lots of exciting firsts to look forward to. Even though saying good-bye to Mom and Dad is hard, when the school bus pulls up, it’s time to begin kindergarten fun.

This engaging new adaptation of “The Twelve Days of Christmas” convinces parents and children alike that there is no place cooler than a kindergarten classroom.

Tish Rabe is a seasoned children’s book author with over 160 titles, including ones for Sesame Street and Curious George, under her belt. Like Natasha Wing with *The Night Before Christmas*, Rabe puts a novel spin on a first-day-of-school classic with *On the First Day of Kindergarten*.

Editorial Review

From School Library Journal
PreS-K—This cumulative verse describes the joyful activities of the first few days of kindergarten. Only the first two verses rhyme and most, but not all, contain alliteration. Still, the lines scan well and beg to be sung to the tune of "The Twelve Days of Christmas." For example, "On the third day of kindergarten/I thought it was so cool/counting up to ten, making lots of friends,/and riding the bus to my school!" The ink, paint, and collage digital illustrations have the hectic feel of a kindergarten class and feature a diverse group of students. VERDICT A general purchase for libraries looking to add to their first day of school collections, this one makes a good read/sing aloud.—Kelly Roth, Bartow County Public Library, Cartersville, GA
