The Carpet People (Spectrum Imprint) By Terry Pratchett

The Illustrated Edition of the hilarious fantasy, co-written by Terry Pratchett, at age seventeen, and Terry Pratchett, at age forty-three

In the beginning, there was nothing but endless flatness. Then came the Carpet…

Now, the Carpet is home to many different tribes and peoples, and a new story: the story of Fray, sweeping a trail of destruction across the Carpet; the story of power-hungry mouls — and of two Munrung brothers who set out on an adventure to end all adventures when their village is flattened. It’s a story that will come to a terrible end if someone doesn’t do something about it.

Editorial Review

From School Library Journal
Grade 5-8-Imagine a vast continent right below your feet. Terry Pratchett's The Carpet People takes listeners to a world filled with emperors, kings, and hardworking folk. Best known for his fantasy series Discworld, Pratchett has rewritten his first book, published when he was 17. In this thoroughly British import, the domain of The Carpet People is bordered by places such as "Wainscot" to "Hearthland." The minuscule "true human beings" who live in the carpet must contend with power hungry Muols overtaking the kingdoms that abound among the carpet fibers. Another constant concern is Fray, a whirlwind of destruction that sounds a lot like someone vacuuming. An amusing cast of characters is led by brothers, Glurk and Sbibril. They are leaders of the Munrungs clan and are looking for new homes after an attack by Fray. This fantasy has lots of encounters with danger and intervals with strangers who have mysterious powers. Richard Mitchley does an outstanding job of imbuing each of the characters with a vivid persona, a difficult task since there are so many characters. This audiobook is attractively and durably packaged in a vinyl book style case with information about both the book and the narrator. The cassettes are clearly marked, and there are listener prompts when each side ends. Though the long list of characters and places make The Carpet People more challenging in an audio format, it will fit very comfortably in both school and public libraries collections.

Review
“Only a writer with a masterstroke of imagination could place an entire empire of goodies and baddies within the fronds of a carpet.”
–Daily Mail

“Brilliantly funny dialogue, high peaks of imagination.”
—The Times

“A passion for language, wordplay and puns bursts from the pages.”
—Daily Telegraph

From the Inside Flap
In the beginning, there was nothing but endless flatness. Then came the Carpet . . .

Users Review
