The Football Manager's Guide to Football Management By Iain Macintosh

The ultimate user bible to playing Football Manager.

Football Manager doesn't need you. Football Manager will happily play on without you, carefully managing and tinkering with its teams, happily playing out an eternity of football whether you are there to watch or not. To play Football Manager, at least beyond your first assignment, you have to prove yourself worthy of Football Manager. And perhaps this is where the source of the addiction lies. From the first moment, the pressure is on. Your team, your tactics, your ideas, your strategy. It's all on you and if you fail, the computer is under no obligation to let you back in.

The purpose of this book is to follow those ley lines that run between the game and reality. It's to ask the managers of reality about the issues that face the managers of the game. It's to use all that the real world has to offer to give you the inspiration to prevail.

Want to know how to lay down a club-wide template for free flowing football and boundless success. Ask Brendan Rodgers. Want to know how to advance from the lower leagues to the Premier League while following your instinctive desire to produce intelligent, entertaining teams? Ask Roberto Martinez. Want to know how to quickly improve teams, sometimes with the transfer market, sometimes just be cheering up the players? Ask Harry Redknapp.

But we're going to go deeper. Do you want to know how to set up a scouting system that serves the needs of a 21st century elite club? Do you want to know how to balance a coaching routine, maintaining fitness while improving technique? Of course you do. That's why you picked up this book.

Users Review

From reader reviews:

Dick McAlister:

Are you kind of active person, only have 10 as well as 15 minute in your day time to upgrading your mind expertise or thinking skill also analytical thinking? Then you have problem with the book than can satisfy your short time to read it because pretty much everything time you only find e-book that need more time to be examine. The Football Manager's Guide to Football Management can be your answer since it can be read by a person who have those short free time problems.

James Lightle:

In this age globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The particular book that recommended to your account is The Football Manager's Guide to Football Management this guide consist a lot of the information of the condition of this world now. This book was represented just how can the world has grown up. The dialect styles that writer use to explain it is easy to understand. The particular writer made some analysis when he makes this book. Here is why this book suited all of you.

Bobby McCabe:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Football Manager's Guide to Football Management can make you feel more interested to read.

Lila Costillo:

What is your hobby? Have you heard this question when you got scholars? We believe that that concern was given by teacher on their students. Many kinds of hobby, All people has different hobby. And also you know that little person similar to reading or as studying become their hobby. You need to know that reading is very important and book as to be the issue. Book is important thing to add you knowledge, except your personal teacher or lecturer. You discover good news or update about something by book. Numerous books that can you choose to use be your object. One of them are these claims The Football Manager's Guide to Football Management.
