The Merck Manual of Medical Information: 2nd Home Edition (Merck Manual Home Health Handbook (Quality)) By Mark H. Beers M.D.

For more than 100 years doctors have been coming to us for advice. Now you can, too.
The Merck Manual has traditionally provided exclusive, up-to-the-minute information to doctors, nurses, and other healthcare professionals. Now, with this special Home Edition, the general public can access virtually the same critical data contained in the physician's version -- but in everyday language and a reader-friendly format.
With contributions from nearly 200 internationally respected medical experts, this fully revised edition offers vital, easy-to-understand information about almost every known medical issue, including:

• AIDS • cancer • eating, digestive, and nutrition disorders • heart disease • mental illness • pediatric care -- including a new chapter on early-childhood development • sexual dysfunction • terminal illness • viruses and infections

...and much more. Featuring original illustrations and diagrams, an A-Z listing of brand-name and generic drugs, and an appendix of medical resources, *The Merck Manual -- Home Edition* is published as a not-for-profit service by Merck, a world leader in breakthrough medical discoveries with a long commitment to making the world a healthier place.

Margaret Wynkoop:

Reading a book to become new life style in this yr; every people loves to examine a book. When you go through a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you want to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, as well as soon. The The Merck Manual of Medical Information: 2nd Home Edition (Merck Manual Home Health Handbook (Quality)) provide you with a new experience in reading through a book.

Melvin Dove:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Merck Manual of Medical Information: 2nd Home Edition (Merck Manual Home Health Handbook (Quality)) can make you experience more interested to read.
